The Carriage House

Isolate yourself from the ordinary:

A few kilometres from the rush of the highway, looking out from the glass wall of The Carriage House, standing among the glint of crystal and crisp linen, a still, serene, isolated world presents itself. The Vines of the St. Urban Vineyard – some of the oldest Riesling vines in Canada – slope down from the crest of trees turning from green to deeper green, from red to fading gold. On the left, the sail boats skirt across nearby Lake Ontario.

Let the occasion exceed your vision

We pride ourselves on the ability to reach beyond your previous experiences, to a level of expertise as separate from the norm as our surroundings. Successful business events thrive on the creativity this stone structure stimulates.
