## *The Carriage House*

### Isolate yourself from the ordinary:

A few kilometres from the rush of the highway, looking out from the glass wall of The Carriage House, standing among the glint of crystal and crisp linen, a still, serene, isolated world presents itself. The Vines of the St. Urban Vineyard – some of the oldest Riesling vines in Canada – slope down from the crest of trees turning from green to deeper green, from red to fading gold. On the left, the sail boats skirt across nearby Lake Ontario.

### Let the occasion exceed your vision

We pride ourselves on the ability to reach beyond your previous experiences, to a level of expertise as separate from the norm as our surroundings. Elegant private occasions and small weddings are highlighted by the intimacy of this space. Families feel at home. Guests bask in extravagance.

*Our professional service staff and internationally-trained Chefs, all drive to deepen your appreciation of the small details that set us apart.*

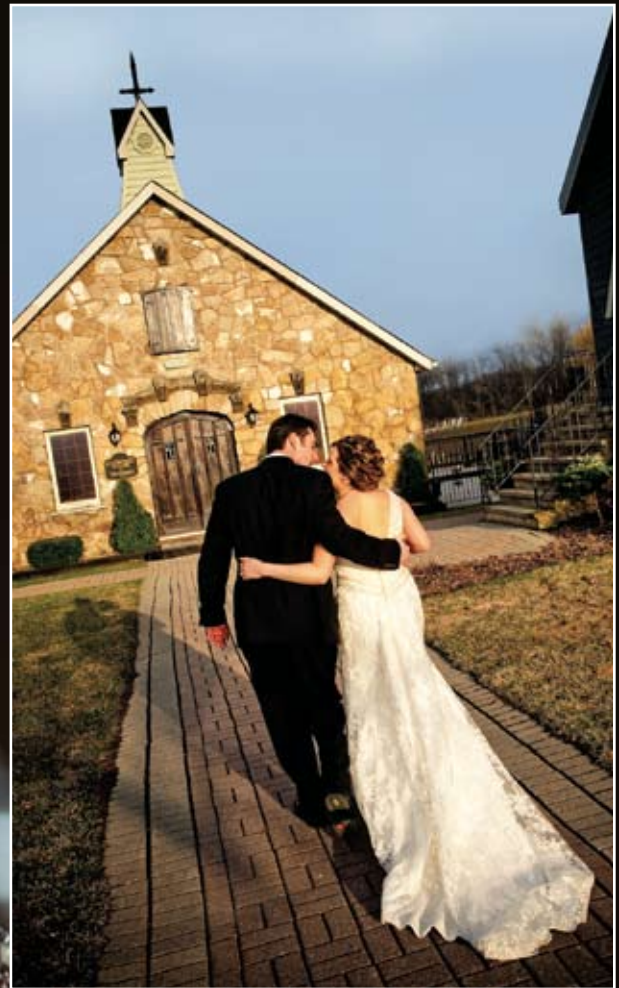

Congratulations on your  
recent engagement!

Now the time comes to plan how you will share  
this milestone in your lives with friends and family:  
Allow us to assist you in creating the perfect day.

The Carriage House at Vineland Estates Winery can  
seat up to 56 (75 if standing) of those select people  
who have been there since the first kiss.

It is not the biggest of venues, but the intimacy  
it provides, and the service it offers,  
will make this a day that can never be repeated,  
one that will never be forgotten.

Let the events that can never  
be repeated occur in a space that  
will never be forgotten.
